

Registrations Required for Applicants Seeking Federal funds

All applications for Corporation for National & Community Service resources must include a Dun and Bradstreet Data Universal Numbering System (DUNS) number and indicate that the applicant has registered with the Central Contractor's Registry (CCR).

The DUNS number is not the equivalent of, nor does it replace the need for an Employer Identification Number.

DUNS numbers may be obtained at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online at: <http://fedgov.dnb.com/webform>. This website indicates a 24-hour e-mail turnaround time on requests for DUNS numbers; however, we suggest registering at least 30 days in advance of the application due date.

Expedited DUNS numbers may be obtained by following instructions found here: <http://smallbusiness.dnb.com/establish-your-business/12334338-1.html>.

CCR is the primary registrant database for the U.S. Federal Government. CCR collects, validates, stores, and disseminates data in support of Federal agency contracts, grant awards, cooperative agreements, and other forms of federal assistance. All grant recipients are required to maintain a valid registration, which must be renewed annually.

We urge applicants that are not already registered with the CCR to begin the registration process immediately in order to avoid any delays in submitting applications. Applicants must have a DUNS number in order to register with the CCR. It typically takes 3-5 days to finalize CCR registration. To register online go to www.bpn.gov/CCR.
